Henry Dunant Memorial Moot Court Competition: Rules and Guidelines

1. Introduction

The Indian Society of International Law (ISIL) was founded in 1959 and was inaugurated in the same year by Pandit Jawaharlal Nehru, the first Prime Minister of independent India. The principal objective of the ISIL is to “foster nationwide, the study and development of International Law and to encourage the comparative study of the application of International Law in other States”. The ISIL has been publishing since its inception, which has attained a high standard and is held in great esteem the world over. It also publishes the ISIL Yearbook on Humanitarian and Refugee Laws. The ISIL runs postgraduate diploma courses in International Law and Diplomacy; Human Rights, International Humanitarian and Refugee Laws and International Trade and Business Laws. It has been actively collaborating with the International Committee of the Red Cross (ICRC) in organizing the Henry Dunant Memorial Moot Court since 2001.

The ICRC is a private, independent humanitarian organization, based in Geneva, Switzerland. The ICRC has been conferred a mandate by the international community to protect and assist persons affected by armed conflict.¹ This mandate includes the promotion and development of International Humanitarian Law (IHL), including in times of peace. Towards fulfilling this responsibility, the ICRC is active in disseminating and promoting IHL in academic circles. This includes developing IHL curricula for universities, conducting university teacher training programmes in IHL and organizing events such as the Henry Dunant Memorial Moot Court Competition.

1.1. The Moot Court

In 2001, the ICRC Regional Delegation in New Delhi initiated the Henry Dunant Memorial Moot Court Competition to promote better awareness of IHL among law students at universities throughout India. This competition is named in memory of Mr Henry Dunant, the co-founder of the ICRC and the Red Cross and Red Crescent Movement in 1863.

¹ The ICRC's initial mandate is derived from the 1949 Geneva Conventions and their 1977 Additional Protocols. The ICRC's mandate was expanded by the Statutes of the Red Cross and Red Crescent Movement, which were agreed upon by the States Parties to the Geneva Conventions. To date, 194 countries have ratified the 1949 Geneva Conventions.

The reputation and status of the Henry Dunant Memorial Moot Court Competition has grown steadily since its inception in 2001. The national Moot Court has grown to include more than 60 teams representing universities across India. The success of the competition prompted the ICRC, in collaboration with its partner organization for this activity, the ISIL, to expand the Moot Court beyond India in 2005. As a result, in 2005, the Henry Dunant Moot Court Competition was expanded to include a regional competition, drawing teams from countries across South Asia.

The regional Moot Court competition will follow national and regional competitions (as applicable) that will take place in each participating country. Winning teams from each of the respective countries will participate in the regional competition, which will be held in one of the participating countries approximately one month after the completion of national-level competitions. Winners of the regional moot court competition will represent South Asia in the Asia Pacific Moot Court competition in Hong Kong.

1.2. Objectives
