## Panel Discussion on “*Public Interest Litigation and the International Court of Justice*”

The Indian Society of International Law is organizing a Panel Discussion on “*Public Interest Litigation and the International Court of Justice*” on 9 February 2024, 4:30 PM at ISIL Premises. The Panel Discussion will provide an insightful look into the ICJ’s shift towards embracing public interest litigation and the implications for the international community. It discusses the Court’s departure from its previous stance and the opportunities it presents for advancing the interests of the public and the state parties at large.

Law Teachers, Lawyers, Government Officials, and students are invited to participate in this Panel Discussion. We would be grateful if you kindly encourage legal officers/teachers/students of your department/college to participate in the discussion. Those who wish to participate should intimate their participation at the earliest at [isil@isil-aca.org](mailto:isil@isil-aca.org).

The Indian Society of International Law (ISIL) was founded in 1959.
